

Please join us  
Wednesday November 7th at 6:30-8:00  
at Town Hall  
& transform trash into beautiful forest lanterns!

Please bring two or more clean, clear and empty plastic water bottles (disposable type) with their caps. Everything else will be supplied.

We will be decoupageing the bottles with colorful tissue paper, and later adding a fire safe glow stick.

Plan to make one to carry  
and one to “light the way” and hang on the trees  
lighting  
our path through the Holbrook Town Forest on our  
November 10th Lantern Walk!
