5.2.2. The PEG Access Support payments (Section 5.2.1) shall be made no later than forty-five (45) days following the end of each calendar quarter. Each such quarterly payment shall be accompanied by a statement certified by a duly authorized representative of Licensee setting forth in reasonable detail the Gross Revenues subject to the fee. Licensee shall be allowed to provide extra payment(s) to correct any payments that were incorrectly omitted, or shall have the right to offset against future payments any payments that were incorrectly submitted, in connection with the quarterly remittances within ninety (90) days following the close of the calendar year for which such payments were applicable. For purposes of the PEG Access Support payment, the period for determining Gross Revenues shall be the preceding calendar quarter. If Cable Services subject to the calculation of Gross Revenues are provided to Subscribers in conjunction with Non-Cable Services, the amount of such revenue included in the calculation of Gross Revenues shall be only the value of the Cable Services, as reflected on the

books and records of Licensee in accordance with applicable FCC, Federal, or State rules, regulations, standards or orders.

5.3. *PEG Operational Rules.* The Issuing Authority and/or its access designee shall establish rules and regulations that require all local producers and users of any of the PEG facilities or Channels to assume individual responsibility for any program-based liability including, but not limited to, liability for copyright infringement or defamation, and to hold the Town and Licensee harmless for same, subject to applicable law, including but not limited to federal statutory and FCC requirements. The Issuing Authority or its access designee shall establish rules and regulations for use of PEG facilities consistent with, and as required by, Section 611 of the Communications Act (47 U.S.C. § 531) and this Section 5.3.

5.4. *Recovery of Costs.* To the extent permitted by federal law, the Licensee shall be allowed to recover the costs of the PEG Grant, the PEG Access Support, the costs of PEG interconnection and any other costs arising from the provision of PEG services from Subscribers and to include such costs as a separately billed line item on each Subscriber's bill. Without limiting the foregoing, if allowed under state and federal laws, Licensee may externalize, line-item, or otherwise pass-through interconnection costs to Subscribers.

5.5. *Non-Commercial Programming.* The Issuing Authority shall not use the PEG Access Channels to provide for-profit commercial programming. Consistent with the current underwriting standards for non-commercial television stations, notices of support and underwriting may be permitted within or adjacent to PEG Access programming.

6. LICENSE FEES

6.1. *License Fee:* Pursuant to Section 9 of the Massachusetts Cable Law, the Licensee shall pay to the Town, throughout the term of this License, a license fee equal to fifty cents (\$.50) per Subscriber per year (the "License Fee").

6.2. *Maximum Franchise Fee Obligation:* The Licensee shall not be liable for a total franchise fee commitment pursuant to this License and applicable law in excess of five percent (5%) of its annual Gross Revenues; provided that such five percent (5%) shall include (i) the License Fee payable to the Town (Section 6.1), (ii) the license fee payable to the Commonwealth of Massachusetts pursuant to Section 9 of the Massachusetts Cable Law, and (iii) the PEG Access Support (Section 5.2.1), but it shall not include any exclusions to franchise fees pursuant to Section 622(g)(2) of the Communications Act.

6.3. *Payment Information:* In determining the License Fee, the number of Subscribers shall be measured as of December 31 of the preceding calendar year. The License Fee shall be paid no later than March 15 of each year during the term of this License.

6.4. *Limitation on Actions:* The parties agree that the period of limitation for recovery of any payment obligation under this Agreement shall be three (3) years from the date on which payment by Licensee is due.

6.5. *Recomputation and Audit:*

6.5.1 Tender or acceptance of any payment made pursuant to Articles 5 or 6 shall not be construed as an accord that the amount paid is correct, nor shall such acceptance of payment be construed as a release of any claim that the Issuing Authority may have for additional sums.

6.5.2 If the Issuing Authority has reason to believe that any payments made pursuant to Articles 5 or 6 are incorrect, it may conduct an audit no more than once during any three (3) year period during the term of this License. The Issuing Authority shall not conduct a “success-based” audit. If, after such audit and recomputation, an additional fee is owed to the Town, such fee shall be paid within thirty (30) business days after such audit and recomputation; provided, however, the Licensee shall be provided a reasonable opportunity to review the results of any audit and to dispute any audit results which indicate an underpayment to the Town.

7. CUSTOMER SERVICE; CUSTOMER PRIVACY

Customer Service Requirements are set forth in **Exhibit C**, which shall be binding unless amended by written consent of the parties. Licensee shall comply with the billing and termination of service provisions set forth in 207 CMR 10.00, as amended, which shall supersede any conflicting provisions set forth in **Exhibit C**. Licensee shall comply with Section 631 of the Communications Act (47 U.S.C. § 551) with respect to protection of Subscriber privacy rights.

8. REPORTS AND RECORDS

8.1. *Open Books and Records:* Upon reasonable written notice to the Licensee and with no less than thirty (30) business days written notice to the Licensee, the Issuing Authority shall have the right to inspect the Licensee’s books and records pertaining to the Licensee’s provision of Cable Service in the Town at any time during Normal Business Hours and on a nondisruptive basis, as are reasonably necessary to ensure compliance with the terms of this License. Such notice shall specifically reference the section or subsection of this License which is under review, so that Licensee may organize the necessary books and records for appropriate access by the Issuing Authority. The Licensee shall not be required to maintain any books and records for License compliance purposes longer than three (3) years. If the Licensee believes that the requested information is confidential, then the Licensee shall provide the following documentation to the Issuing Authority: (i) specific identification of the information; (ii) a statement attesting to the reason(s) Licensee believes the information is confidential; and (iii) a statement that the documents are available at the Licensee’s offices for inspection by the Issuing Authority. The Issuing Authority shall take reasonable steps to the extent consistent with public records laws to protect the confidential nature of any books, records, maps, plans or other requested documents that are provided to the extent they are designated as such by Licensee in accordance herewith, including without limitation, cooperating with the Licensee’s exercise of its rights to protect its confidential information from public disclosure. Licensee shall not be required to provide Subscriber information in violation of Section 631 of the Communications Act, 47 U.S.C. § 551.

8.2. *Records Required:* The Licensee shall at all times maintain:

8.2.1. Records of all written complaints for a period of three (3) years after receipt by the Licensee;

8.2.2. Records of outages for a period of three (3) years after occurrence, indicating date, duration, area, and the number of Subscribers affected, type of outage, and cause;

8.2.3. Records of service calls for repair and maintenance for a period of three (3) years after resolution by the Licensee, indicating the date and time service was required, the date of acknowledgment and date and time service was scheduled (if it was scheduled), and the date and time service was provided, and (if different) the date and time the problem was resolved;

8.2.4. Records of installation/reconnection and requests for service extension for a period of three (3) years after the request was fulfilled by Licensee, indicating the date of request, date of acknowledgment, and the date and time service was extended; and

8.2.5. A map showing the area of coverage for the provisioning of Cable Services and estimated timetable to commence providing Cable Service.

8.3. *Additional Reports:* Upon written request of the Issuing Authority, the Licensee shall provide a copy of any documents or forms filed by the Licensee with the FCC and/or the Cable Division that materially pertain to the Licensee's Cable System in the Town.

8.4. *Proof of Performance Tests:* Upon written request of the Issuing Authority, the Licensee shall provide a copy of proof of performance tests required by applicable law.

8.5. *Annual Performance Review:* The Issuing Authority may, at its discretion but not more than once per twelve-month period, hold a performance evaluation session. The purpose of such evaluation session shall be to review Licensee's compliance with the terms and conditions of this License. The Issuing Authority shall provide Licensee with thirty (30) days advance written notice of such evaluation session. If requested in writing by the Licensee, the Issuing Authority shall provide Licensee with a written report with respect to Licensee's compliance within thirty (30) days after the conclusion of such evaluation session.

8.6. *Quality of Service:* If there exists credible evidence which, in the reasonable judgment of the Issuing Authority, casts doubt upon the reliability or technical quality of the Licensee's Cable Services in the Town then, after notice to the Licensee and an opportunity to cure, the Issuing Authority shall have the right to require the Licensee to test, analyze and report on the performance of the Cable System.

9. INSURANCE AND INDEMNIFICATION AND PERFORMANCE BOND

9.1. *Insurance:*

9.1.1. The Licensee shall maintain in full force and effect, at its own cost and expense, during the term of this License, the following insurance coverage:

9.1.1.1. Commercial General Liability Insurance in the amount of one million dollars (\$1,000,000) combined single limit for property damage and bodily injury. Such insurance shall cover the construction, operation and maintenance of the Cable System, and the conduct of Licensee's Cable Service business in the Town.

9.1.1.2. Automobile Liability Insurance in the amount of one million dollars (\$1,000,000) combined single limit for bodily injury and property damage coverage.

9.1.1.3. Workers' Compensation Insurance meeting all legal requirements of the Commonwealth of Massachusetts.

9.1.1.4. Employers' Liability Insurance in the following amounts: (A) Bodily Injury by Accident: \$500,000; (B) Bodily Injury by Disease: \$500,000 employee limit; and (C) Bodily Injury by Disease: \$500,000 policy limit.

9.1.1.5. Excess liability or umbrella coverage of not less than five million dollars (\$5,000,000).

9.1.1.6. The limits above may be satisfied with a combination of primary and excess coverage.

9.1.2. The Town shall be included as additional insured under each of the insurance policies required in this Article 9 except Worker's Compensation, Employer's Liability Insurance and excess liability/umbrella insurance.

9.1.3. The Licensee shall not cancel any required insurance policy without submitting documentation to the Issuing Authority verifying that the Licensee has obtained alternative insurance in conformance with this Agreement.

9.1.4. Each of the required insurance policies shall be with insurers qualified to do business in the State of Massachusetts, with an A.M. Best Financial Strength rating of A- or better.

9.1.5. Upon written request, the Licensee shall deliver to the Issuing Authority Certificates of Insurance showing evidence of the required coverage.

9.1.6. All insurance policies shall have a thirty (30) day notice of cancellation provision.

9.1.7. The limits required above may be satisfied with a combination of primary and excess coverage.

9.2. *Indemnification:*

9.2.1. The Licensee shall indemnify and hold the Town, its officials, boards, committees, agents and employees harmless at all times during the term of this License from any and all claims, suits and judgments, whether for damages or otherwise arising out of

the installation, operation, or maintenance of the Cable System or the provision of Cable Services in the Town, provided that the Town shall give the Licensee written notice of its request for indemnification within a period of time from receipt of a claim pursuant to this subsection sufficient to enable Licensee to timely answer complaints, raise defenses and to defend all claims. Notwithstanding the foregoing, the Licensee shall not indemnify the Town for any damages, liability or claims resulting from the willful misconduct or negligence of the Town, its officers, agents, employees, attorneys, consultants, or its independent contractors or third parties, or for any activity or function conducted by any Person other than Licensee or its officers, agents, employees, attorneys, consultants or its independent contractors in connection with PEG Access or EAS, or the distribution of any Cable Service over the Cable System.

9.2.2. With respect to the Licensee's indemnity obligations set forth in Section 9.2.1, the Licensee shall, at its own expense, provide the defense of any claims brought against the Town by selecting counsel of the Licensee's choice to defend the claim, subject to the consent of the Town, which shall not unreasonably be withheld. Nothing herein shall be deemed to prevent the Town from cooperating with the Licensee and participating in the defense of any litigation by its own counsel at its own cost and expense, provided however, that after consultation with the Town, the Licensee shall have the right to defend, settle or compromise any claim or action arising hereunder, and the Licensee shall have the authority to decide the appropriateness and the amount of any such settlement subject to Licensee's indemnifying the Town for costs of any such settlement by paying the costs thereof. In the event that the terms of any such proposed settlement includes the release of the Town and the Town does not consent to the terms of any such settlement or compromise, the Licensee shall not settle the claim or action but its obligation to indemnify the Town shall in no event exceed the amount of such proposed settlement.

9.2.3. The Town shall be responsible for its own acts of willful misconduct or negligence, or breach of obligation, subject to any and all defenses and limitations of liability provided by law. Licensee shall not be required to indemnify the Town for acts of the Town which constitute willful misconduct or negligence, on the part of the Town, its officers, employees, agents, attorneys, consultants, or its independent contractors or third parties.

9.3. *Performance Bond:* On or near the Service Date, the Licensee shall provide to the Town, and shall maintain throughout the term of this License, a performance bond in the Town's favor in the amount of Fifteen Thousand Dollars (\$15,000) securing the performance of the Licensee's obligations under this License. The performance bond shall be substantially in the form of **Exhibit D**. In the event that a performance bond provided pursuant to this License is not renewed or is cancelled, the Licensee shall provide new security pursuant to this Article within thirty (30) days of such failure to renew or cancellation. Neither cancellation, nor termination nor refusal by the surety to extend the bond, nor the inability of the Licensee to file a replacement bond or replacement security for its obligations under this License, shall constitute a loss to the Town recoverable under the bond.

10. TRANSFER OF LICENSE

Subject to Section 617 of the Communications Act, 47 U.S.C. § 537, no Transfer of this License shall occur without the prior consent of the Issuing Authority, provided that such consent shall not be unreasonably withheld, delayed or conditioned. Such consent shall be given only after a public hearing upon a written application and forms therefore as provided by the FCC and the Cable Division. No such consent shall be required, however, for a transfer in trust, by mortgage, by other hypothecation, by assignment of any rights, title, or interest of the Licensee in this License or the Cable System in order to secure indebtedness, or for transactions otherwise excluded under Section 1.40 above, except to the extent that any of the foregoing are determined to be a transfer of control pursuant to 207 CMR 4.01, in which case such transaction shall be subject to the Cable Division's transfer regulations (207 CMR 4.00 et. seq.). The transferee of any Transfer of this License shall be subject to the terms and conditions contained in this License.

11. RENEWAL OF LICENSE

11.1. *Governing Law:* The Town and the Licensee agree that any proceedings undertaken by the Town that relate to the renewal of this License shall be governed by and comply with the provisions of Section 626 of the Communications Act, 47 U.S.C. § 546, the Massachusetts Cable Law and Section 13.11 below.

11.2. *Needs Assessments:* In addition to the procedures set forth in Section 626 of the Communications Act, the Town shall reasonably notify the Licensee of its assessments regarding the identity of future cable-related community needs and interests, as well as the past performance of the Licensee under the terms of this License consistent with the requirements of applicable law. Such assessments shall be provided to the Licensee by the Town such that the Licensee has adequate time to submit a proposal under Section 626 of the Communications Act prior to expiration of its term and consistent with any applicable timetables or requirements set forth in applicable law.

11.3. *Informal Negotiations:* Notwithstanding anything to the contrary set forth herein and subject to applicable law, the Licensee and the Town agree that at any time during the term of the then current License, while affording the public appropriate notice and opportunity to comment, the Town and the Licensee may agree to undertake and finalize informal negotiations regarding renewal of the then current License and the Issuing Authority may grant a renewal thereof.

11.4. *Consistent Terms:* The Licensee and the Town consider the terms set forth in this Article 11 to be consistent with the express provisions of Section 626 of the Communications Act.

12. ENFORCEMENT AND TERMINATION OF LICENSE

12.1. *Notice of Violation:* If at any time the Issuing Authority believes that Licensee has not complied with the terms of this License, the Issuing Authority shall informally discuss the matter with the Licensee, however the Issuing Authority reserves the right to inform Licensee in writing prior to informal discussions. If these informal discussions do not lead to

resolution of the problem in a reasonable time, the Issuing Authority shall then notify the Licensee in writing of the exact nature of the alleged noncompliance (for purposes of this Article, the “Noncompliance Notice”).

12.2. *Licensee’s Right to Cure or Respond:* The Licensee shall have thirty (30) days from receipt of the Noncompliance Notice to: (i) respond to the Issuing Authority, if Licensee contests (in whole or in part) the assertion of noncompliance; (ii) cure such noncompliance; or (iii) in the event that, by its nature, such noncompliance cannot be cured within such thirty (30) day period, initiate reasonable steps to remedy such noncompliance and notify the Issuing Authority of the steps being taken and the date by which they are projected to be completed. In no event shall the cure period exceed a total of ninety (90) days from response pursuant to (i) unless the Licensee demonstrates in good faith to the Issuing Authority that such noncompliance cannot be cured within such 90-day period. Upon cure of any noncompliance, the Town shall provide Licensee with written confirmation that such cure has been effected.

12.3. *Public Hearing:* In the event that the Licensee fails to respond to the Noncompliance Notice pursuant to the procedures required by this Article, or in the event that the alleged noncompliance is not remedied within thirty (30) days or the date projected pursuant to Section 12.2(iii) above, if the Town seeks to continue its investigation into the alleged noncompliance, then the Issuing Authority shall schedule a public hearing. The Issuing Authority shall provide Licensee at least thirty (30) business days prior written notice of such public hearing, which will specify the time, place and purpose of such public hearing, and provide Licensee the opportunity to be heard.

12.4. *Enforcement:* Subject to applicable federal and State law, in the event the Issuing Authority, after the public hearing set forth in Section 12.3, determines that Licensee is in default of any provision of this License, the Issuing Authority may:

12.4.1. Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages; or

12.4.2. Commence an action at law for monetary damages or seek other equitable relief; or

12.4.3. In the case of a substantial noncompliance of a material provision of this License, seek to revoke this License in accordance with Section 12.5.

12.5. *Revocation:* Should the Issuing Authority seek to revoke this License after following the procedures set forth in this Article, including the public hearing described in Section 12.3, the Issuing Authority shall give written notice to the Licensee of such intent. The notice shall set forth the specific nature of the noncompliance. The Licensee shall have ninety (90) days from receipt of such notice to object in writing and to state its reasons for such objection. In the event the Issuing Authority has not received a satisfactory response from Licensee, it may then seek termination of this License at a second public hearing. The Issuing Authority shall cause to be served upon the Licensee, at least thirty (30) business days prior to such public hearing, a written notice specifying the time and place of such hearing and stating its intent to revoke this License.

12.5.1. At the designated public hearing, the Licensee shall be provided a fair opportunity for full participation, including the rights to be represented by legal counsel, to introduce relevant evidence, to require the production of evidence, to compel the relevant testimony of the officials, agents, employees or consultants of the Issuing Authority, to compel the testimony of other persons as permitted by law, and to question and/or cross examine witnesses. A complete verbatim record and transcript shall be made of such hearing; the cost of the transcription shall be paid by Licensee.

12.5.2. Following the second public hearing, the Licensee shall be provided up to thirty (30) days to submit its proposed findings and conclusions to the Issuing Authority in writing and thereafter the Issuing Authority shall determine (i) whether an event of default has occurred under this License; (ii) whether such event of default is excusable; and (iii) whether such event of default has been cured or will be cured by the Licensee. The Issuing Authority shall also determine whether it will revoke this License based on the information presented, or, where applicable, grant additional time to the Licensee to effect any cure. If the Issuing Authority determines that it will revoke this License, the Issuing Authority shall promptly provide Licensee with a written determination setting forth the Issuing Authority's reasoning for such revocation. The Licensee may appeal such written determination of the Issuing Authority to an appropriate court, which shall have the power to review the decision of the Issuing Authority *de novo*. The Licensee shall be entitled to such relief as the court finds appropriate. Such appeal must be taken within sixty (60) days of the Licensee's receipt of the written determination of the Issuing Authority.

12.5.3. The Issuing Authority may, at its sole discretion, take any lawful action that it deems appropriate to enforce the Issuing Authority's rights under this License in lieu of revocation of this License.

13. MISCELLANEOUS PROVISIONS

13.1. *Actions of Parties:* In any action by the Town or the Licensee that is mandated or permitted under the terms hereof, such party shall act in a reasonable, expeditious, and timely manner. Furthermore, in any instance where approval or consent is required under the terms hereof, such approval or consent shall not be unreasonably withheld, delayed or conditioned.

13.2. *Binding Acceptance:* This Agreement shall bind and benefit the parties hereto and their respective heirs, beneficiaries, administrators, executors, receivers, trustees, successors and assigns, and the promises and obligations herein shall survive the expiration date hereof.

13.3. *Preemption:* In the event that federal or State law, rules, or regulations preempt a provision or limit the enforceability of a provision of this Agreement, the provision shall be read to be preempted to the extent and for the time, but only to the extent and for the time, required by law. In the event such federal or State law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision hereof that had been preempted is no longer preempted, such provision shall thereupon return to full force and effect, and shall

thereafter be binding on the parties hereto, without the requirement of further action on the part of the Issuing Authority.

13.4. *Force Majeure*: The parties shall not be held in default under, or in noncompliance with, the provisions of this License, nor suffer any enforcement or penalty relating to noncompliance or default, where such noncompliance or alleged defaults occurred or were caused by a Force Majeure, provided that the Licensee takes reasonable steps under the circumstances to comply with the obligations of the License to the maximum extent possible without endangering the health or safety of the Licensee's employees or property, or the health or safety of the Town or the public, or their property. In the event that any such delay in performance or failure to perform affects only part of the Licensee's capacity to perform, the Licensee shall perform to the maximum extent it is able to do so in as expeditious a manner as possible under the circumstances. If Licensee's performance under this License is affected by Force Majeure, it shall notify the Issuing Authority within a reasonable period of time under the circumstances after it has knowledge of the Force Majeure event. Furthermore, the parties hereby agree that it is not the Town's intention to subject Licensee to penalties, fines, forfeitures or revocation of this License for violations of this License where the violation was a good faith error that resulted in no or minimal negative impact on Subscribers.

13.5. *Notices*: Unless otherwise expressly stated herein, notices required under this License shall be mailed first class, postage prepaid, to the addressees below. Each party may change its designee by providing written notice to the other party.

13.8. *Captions*: The captions and headings of articles and sections throughout this Agreement are intended solely to facilitate reading and reference to the sections and provisions of this Agreement. Such captions shall not affect the meaning or interpretation of this Agreement.

13.11. *FTTP Network Transfer Prohibition*: Under no circumstance including, without limitation, upon expiration, revocation, termination, or denial of renewal of this License or any other action to forbid or disallow the Licensee from providing Cable Services, shall the Licensee or its assignees be required to sell any right, title, interest, use or control of any portion of the Licensee's FTTP Network including, without limitation, the Cable System and any capacity used for Cable Service or otherwise, to the Town or any third party. The Licensee shall not be required to remove the FTTP Network or to relocate the FTTP Network or any portion thereof as a result of revocation, expiration, termination, surrender or denial of renewal or any other action to forbid or disallow the Licensee from providing Cable Services. This provision is not intended to contravene leased access requirements under Title VI or the PEG requirements set out in this Agreement.

13.12. *Interpretation*: The Town and the Licensee each acknowledge that it has received independent legal advice in entering into this Agreement. In the event that a dispute arises over the meaning or application of any term(s) of this Agreement, such term(s) shall not be construed by the reference to any doctrine calling for ambiguities to be construed against the drafter of the Agreement.

13.13. *No Third Party Beneficiary*: Nothing in this License shall be construed to create or confer any rights or benefits to any third party.

13.14. *Counterparts*: This License may be executed in two or more counterparts, each of which shall be deemed an original, and the parties may become a party hereto by executing a counterpart hereof. This License and any counterpart so executed shall be deemed to be one and

the same instrument. It shall not be necessary in making proof of this License or any counterpart hereof to produce or account for any of the other counterparts.

13.15. Jurisdiction. *Jurisdiction.* Except as otherwise set forth in this License, exclusive jurisdiction and venue over any dispute arising out of this License shall be in a federal or state court of appropriate venue and subject matter jurisdiction located in the State, and the parties hereby agree to be subject to the personal jurisdiction of such court for the resolution of any such dispute.

CUSTOMER SERVICE STANDARDS

These standards shall, starting twelve (12) months after the Service Date, apply to the Licensee to the extent it is providing Cable Services over the Cable System in the Town.

DEFINITIONS

- A. **Respond:** Licensee's investigation of a Service Interruption by receiving a Subscriber call and opening a trouble ticket, if required.

- B. **Service Call:** The action taken by the Licensee to correct a Service Interruption the effect of which is limited to an individual Subscriber.

- C. **Service Interruption:** The loss of picture or sound on one or more cable Channels.

- D. **Significant Outage:** A significant outage of the Cable Service shall mean any Service Interruption lasting at least four (4) continuous hours that affects at least ten percent (10%) of the Subscribers in the Service Area.

- E. **Standard Installation:** Installations where the Subscriber is within one hundred fifty (150) aerial feet of trunk or feeder lines.

SECTION 1: TELEPHONE AVAILABILITY

- A. The Licensee shall maintain a toll-free number to receive all calls and inquiries from Subscribers in the Town and/or residents regarding Cable Service. Licensee representatives trained and qualified to answer questions related to Cable Service in the Service Area must be available to receive reports of Service Interruptions twenty-four (24) hours a day, seven (7) days a week, and other inquiries at least forty-five (45) hours per week. Licensee representatives shall identify themselves by name when answering this number.

- B. The Licensee's telephone numbers shall be listed, with appropriate description (e.g. administration, customer service, billing, repair, etc.), in the directory published by the local telephone company or companies serving the Service Area, beginning with the next publication cycle after acceptance of this License by the Licensee.

- C. Licensee may use an Automated Response Unit ("ARU") or a Voice Response Unit ("VRU") to distribute calls. If a foreign language routing option is provided, and the Subscriber does not enter an option, the menu will default to the first tier menu of English options.

After the first tier menu (not including a foreign language rollout) has run through three times, if customers do not select any option, the ARU or VRU will forward the call to a queue for a live representative. The Licensee may reasonably substitute this requirement with another method of handling calls from customers who do not have touch-tone telephones.

D. Under Normal Operating Conditions, calls received by the Licensee shall be answered within thirty (30) seconds. The Licensee shall meet this standard for ninety percent (90%) of the calls it receives at all call centers receiving calls from Subscribers, as measured on a cumulative quarterly calendar basis. Measurement of this standard shall include all calls received by the Licensee at all call centers receiving calls from Subscribers, whether they are answered by a live representative, by an automated attendant, or abandoned after 30 seconds of call waiting.

E. Under Normal Operating Conditions, callers to the Licensee shall receive a busy signal no more than three (3%) percent of the time during any calendar quarter.

G. At the Licensee's option, the measurements and reporting above may be changed from calendar quarters to billing or accounting quarters. The Licensee shall notify the Town of such a change at least thirty (30) days in advance of any implementation.

SECTION 2: INSTALLATIONS AND SERVICE APPOINTMENTS

A. All installations will be in accordance with applicable FCC rules relating to grounding, connection of equipment to ensure reception of Cable Service, and the provision of required consumer information and literature to adequately inform the Subscriber in the utilization of the Licensee-supplied equipment and Cable Service.

B. The Standard Installation shall be performed within seven (7) business days after the placement of the Optical Network Terminal ("ONT") on the customer's premises or within seven (7) business days after an order is placed if the ONT is already installed on the customer's premises.

B. The Licensee shall exercise commercially reasonable efforts to limit any Significant Outage for the purpose of maintaining, repairing, or constructing the Cable System. Except in an emergency or other situation necessitating a more expedited or alternative notification procedure, the Licensee may schedule a Significant Outage for a period of more than four (4) hours during any twenty-four (24) hour period only after the Town and each affected Subscriber in the Service Area have been given fifteen (15) days prior notice of the proposed Significant Outage.

C. Licensee representatives who are capable of responding to Service Interruptions must be available to Respond twenty-four (24) hours a day, seven (7) days a week.

The Licensee shall notify the Town of those matters that necessitate an excess of seventy-two (72) hours to resolve, but those matters must be resolved within fifteen (15) days of the initial complaint. The Town may require reasonable documentation to be provided by the Licensee to substantiate the request for additional time to resolve the problem. For purposes of this Section, “resolve” means that the Licensee shall perform those actions, which, in the normal course of business, are necessary to investigate the Subscriber’s complaint and advise the Subscriber of the results of that investigation.

SECTION 5: BILLING

The Subscriber shall forfeit any rights under 207 CMR 10.07 if he or she fails to pay the undisputed balance within 30 days. Any Subscriber who disagrees with the results of Licensee's investigation shall promptly inquire about and take advantage of any complaint resolution mechanism, formal or informal, available under this License or through the Issuing Authority before the Cable Division may accept a petition. The Licensee shall provide all Subscribers with the option of paying for Cable Service by check or an automatic payment option where the amount of the bill is automatically deducted from a checking account designated by the Subscriber. Licensee may in the future, at its' discretion, permit payment by using a major credit card on a preauthorized basis. Based on credit history, at the option of the Licensee, the payment alternative may be limited.

C. Under Normal Operating Conditions, refund checks will be issued within the next available billing cycle following the resolution of the event giving rise to the refund (e.g., equipment return and final bill payment).

D. Credits for Cable Service will be issued no later than the Subscriber's next available billing cycle, following the determination that a credit is warranted, and the credit is approved and processed. Such approval and processing shall not be unreasonably delayed.

E. Bills shall be considered paid when appropriate payment is received by the Licensee or its' authorized agent. Appropriate time considerations shall be included in the Licensee's collection procedures to assure that payments due have been received before late notices or termination notices are sent.

SECTION 7: RATES, FEES AND CHARGES

A.
