**NOTICE TO HOLBROOK RESIDENTS FROM THE DEPARTMENT OF PUBLIC WORKS**

**REPLACEMENT OF STREET LIGHTS**

The town is currently replacing all street lights with LED fixtures. Dagle Electrical will begin the installation on Tuesday, April 17<sup>th</sup> completing the project by approximately May 18<sup>th</sup>. During this process we will not be doing any repairs to street lights that are out since they will be replaced with LED fixtures.

Converting to LED lights will reduce energy use and maintenance costs contributing to a savings for the town.

Any concerns, call the DPW @ 781-767-1800, or email,
