JUNE 23, 2012

9AM - 3PM

Holbrook Junior Senior High School

245 South Franklin Street, Holbrook, MA 02343

Backstop Technologies will be accepting non-perishable goods for each E-Waste item for donation to the local food pantries of Holbrook

Cell phones will be donated to Cell Phones For Soldiers

Help our town dispose of e-waste properly by diverting it from landfills to proper disposal. E-waste is defined as any consumer electronic equipment that has reached "end of life" or "end of usage" whether in full or non-working condition.

- Electronic discards are one of the fastest growing segments of our nations' waste stream
- 56% of American households have functional e-products that they will no longer use
- Less than 10% of e-waste is currently being properly recycled
- 70% of heavy metals, 40% of lead and mercury content found in today's landfills come from e-waste

Recycling services provided by:
Computer Technology Recyclers Holbrook, MA

A Special Thank You for support from
The Town of Holbrook
Holbrook DPW
Holbrook Jr/Sr HS
