Board of Public Works

Public Information Meeting – Signalization of South Franklin Street at King Road and Public Safety Building

Holbrook, Massachusetts – The Holbrook Board of Selectmen will conduct an informal public information meeting related to the above subject. This informational meeting will be conducted during the regular meeting of the Board of Selectmen on December 14, 2010 at 7:30 PM. at the Holbrook Town Hall, 50 North Franklin Street. The purpose of this meeting is to provide an informational update and to solicit comments regarding the project.

The project consists of the installation of traffic signals at the intersection of South Franklin Street at King Road as well as at the Public Safety Building for the purpose of easing traffic congestion and to facilitate access and egress to and from the Public Safety Building. In addition to the traffic signals, the roadway will be repaved and sidewalk and driveway aprons will be improved within the project limits.

The approximate project limits are from one hundred feet north of the Public Safety Building to one hundred twenty feet south of King Road and eighty feet west on King Road. A twenty-five percent submission has been made to MassDOT. These plans will be presented at the meeting.

Information regarding the project can be found at the Public Works Department in the Town Hall.
