

The Holbrook Permanent Cable Television Advisory Committee

IS LOOKING FOR NEW MEMBERS!

The task of the Permanent Cable Television Advisory Committee is to negotiate or renegotiate Town contracts with the local Cable providers, currently Comcast and Verizon. These licensing agreements expire in the near future and require renewal. The main focus of this Committee is to oversee the negotiations and work with the law office retained by the Town to complete negotiations. As a member, you will help get the best cable licensing agreement for the Town of Holbrook. Meetings will be monthly or bi-monthly on average. **No experience with town government or committees is needed or required.** All you need is some critical thinking and the desire to serve your community.
