FEBRUARY 2024

We all got through January! Another winter month gone! Please look at the February calendar for the events and activities for the month.

I'd like to highlight three major happenings, events, activities, etc. that took place at the Senior Center in January.

The First:

The Holbrook Council on Aging would like to thank our "anonymous" donor. It is with heartfelt gratitude that we acknowledge your generous donation of \$1,000.00! Thank you so very much.

The Second:

As you are aware, The Town will no longer be picking up trash or recycling as of February 1st, so we contacted Troupe to ask if someone from their company would come out to speak with us at the Senior Center. Mr. Troupe attended our Social on January 11th. It was a very informative presentation. For those of you that did not attend, Mr. Troupe's presentation is on HCAM. If you need further information and/or assistance, please contact the COA. We are happy to help.

The Third:

TRIAD was held on the 18th. These meetings are so informative and helpful to us Seniors. I thank all our members of TRIAD for their participation.

District Attorney Morrissey's Office arrived with information on the latest scams.

The Norfolk County Sheriff's Office offered to extend the "Sand Bucket Program" if needed. Please call the COA if you would like to be included.

Our Fire Department has offered to check the location and/or functioning of our smoke detectors and/or carbon monoxide detectors in our homes. If you would like to have them checked, call us at the Senior Center and we will get in touch with our Fire Department.

The Regional Communication Center provides tours of their "amazing" facility. We are currently putting together a list.

Above is only a small amount of information discussed at TRIAD. Our next meeting will be held here at the Senior Center on Thursday, February 15th at 10:00am. Hope to see you soon!

Cindy Brennan – Holbrook COA Coordinator

SPEAR FUND

George N. Spear was born on June 9, 1829, in East Randolph (Holbrook), Massachusetts, and married Ellen Maria Merritt, born February 10, 1829, on January 16, 1851, in Quincy, Massachusetts.

Spear started in business for himself with little capital and common school education, at the age of eighteen he began manufacturing boots and shoes in a small shop. As his business increased, he built a large steam-operated factory on the corner of North Franklin and Union streets in 1865 (current location of Mary Wales Holbrook Park). He later sold this business to Thomas White and went to Chicago, where he engaged in the furniture and upholstery business. However, he was burned out in the great Chicago fire of 1871. In 1873, he returned to Holbrook and went into the oil business in partnership with John Underhay, becoming one of the wealthy men of the Town.

George N. Spear died on April 5, 1894 in his hometown, at the age of 64, and was buried in Holbrook, Massachusetts. He and his wife Ellen did not have any children. He left enough money to care for his wife and the rest was donated to various charities.

In 1912 Mrs. Ellen M. Spear, gave to the town of Holbrook the sum of \$5,000 to be called the "Spear Fund," the income from which would be used for special cases of the poor and needy of the town.

She died on March 20, 1917, having lived a long life of 88 years, and was buried with her husband in Union Cemetery in Holbrook, Massachusetts.

Any resident who would like to apply for a grant from the Spear Fund should fill out an application and submit it to Town Administrator at 50 North Franklin Street, Holbrook, MA 02343, or via email selectboard@holbrookmassachusetts.us

MEMORIES OF ROSANNE "ROSIE" CARLO

Rosie made our COA Family complete with her kindness to others along with her smiles and laughter. She will be missed and these are some comforting memories that will fill our hearts!

Her genuine love and caring for others and always offering her help

Kind and Fun! Crazy about Elvis and mad about the Red Sox!

Rosie was a good friend when I first moved to Holbrook 2 years ago. After I retired, she invited me to the Council on Aging and always let me know what was going on at the Court. I'm so glad I've met so many nice people thanks to Rosie. She was a kind and caring person. Audrey

I was deeply saddened by Rosie's passing. She was a very special person and a pleasure to know. I, as so many others, will miss her dearly. Her kindness will be remembered always. Peggy S.

THANK YOU to all those who donated to the COA in Rosie's memory. We truly appreciate your kindness!

Carbon Monoxide and Smoke Detectors

Our Fire Department has offered to check the location and/or functioning of our smoke detectors in our homes. If you would like to have them checked, call us at the Senior Center 781-767-4617 and we will get in touch with our Fire Department.
